

RESEARCH TOOLS & STRATEGIES WORKSHOP

Having trouble locating relevant articles or books on your research topic?

Feeling frustrated when attempting to retrieve useful information from online databases?

Need advice on how to best utilize the library resources Argosy University has to offer?

Come to a *Research Tools and Strategies* tutorial session and improve your research skills!

- Learn methods for retrieving relevant, full-text information from online databases
- Identify subject-specific resources relevant to your academic discipline
- Discover useful research strategies for successful academic research!

Choose a session!

Thursday, January 28th, 3:30-5:00PM, Room A122

Saturday, January 30th, 3:30-5:00PM, Room A122

Send your Argosy Librarian, Melissa Dunn, an e-mail at medunn@argosy.edu to reserve a space!
